

# Baby No More

## Cheap Trick

Don't wanna be your baby no more  
Don't wanna be your baby no more  
'Cause I work so hard to get this far  
Then one day I hear you say hey  
Don't wanna be your baby no more  
You buy a nickel, you drop a dime  
Too much of nothin' every single time  
It's no surprise I've heard it all before  
I don't wanna be your baby no more  
Don't wanna be your slave no more  
I'll be last dog at your door  
'Cause I work so hard to get this far

Don't wanna be your baby no more, no more, no more  
Hidin' in the corner shoot, what's goin' on  
Trouble down on Main Street, can't get to a phone  
Problem after problem, don't know what's the score  
I don't wanna be your baby no more  
Don't wanna be your baby no more  
Don't wanna be your baby no more  
Don't wanna be your baby no more  
Don't wanna be your baby no more  
No more, no more, no more  
No more, no more, no more
