Dancing Queen

A*Teens

You can dance, you can jive
Having the time of your life
See that girl, watch that scene
Diggin the dancing queenFriday night and the lights are low
Looking out for a place to go
Where they play the right music getting in the swing
You come in to look for a kingAnybody could be that guy
Night is young and the musics high
With a bit of rock music everything is fine
Youre in the mood for a dance
And when you get the chanceYou are the dancing queen young and sweet only seventeen
Dancing queen feel the beat from the tambourine oh yeah
You can dance, you can jive, having the time of your life
See that girl, watch that scene, diggin the dancing queenYoure a teaser you turn em on
Leave them burning and then youre gone
Looking out for another anyone will do
Youre in the mood for a dance
And when you get the chanceYou are the dancing queen young and sweet only seventeen
Dancing queen feel the beat from the tambourine oh yeah
You can dance, you can jive, having the time of your life
See that girl, watch that scene, diggin the dancing queenDiggin the dancing queen
Diggin the dancing queen
Diggin the dancing queen
