

# Feel

## Sleeping With Sirens

And I feel  
I feel so alive again  
Yeah ooh  
I feel ooh  
Feel so alive again yeah ooh ohWoah Woah  
Oh yeah  
Ooh oh  
Woah Woah ohI used to be a ghost  
Floating aimlessly  
So they couldn't see  
What I think hurts the most  
I feel like it made me,  
Hate meBut I won't apologise  
For being different  
I, I, I, can be who I am  
Yeah  
I felt so dead inside  
But now I feel so alive  
For the first timeAnd I feel,  
I feel so alive again  
Yeah ooh  
And I feel  
I feel so alive again  
YeahIs there somewhere I could go?  
Oh, I'd go there  
Take me anywhere  
Cause this person I don't know  
The one that's staring back at me  
Is not who I wanna beBut I won't apologise  
For being different  
I, I can, can be who I am  
While they  
Cover up, they're dead inside  
I, I feel so alive  
For the first timeAnd I feel,  
I feel so alive again  
Yeah ooh  
And I feel  
I feel so alive again

Yeah Could you help me find a,  
Help me find a way  
Could you help me find a,  
Help me find a way  
Could you help me find a,  
Help me find a way  
Could you help me find a,  
Help me find a way And I feel,  
I feel so alive again  
Yeah ooh  
And I feel  
I feel so alive again  
Yeah You'll never bring me down  
You'll never be so hard  
I am alive yeah  
I am alive  
You'll never bring me down  
You'll never be so hard  
I am alive yeah  
I am alive And I feel  
Woah Woah  
And I feel  
Woah Woah
