

Yesterday

[Tammy Wynette](#)

Yesterday all my troubles seemed so far away
Now it looks as though they're here to stay
Oh, I believe in yesterday Suddenly I'm not half the girl I used to be
There's a shadow hanging over me
Oh, yesterday came suddenly Why did he have to go I don't know he wouldn't say
I said something wrong now I long for yesterday
Yesterday love was such an easy game to play Now I need a place to hide away
Oh, I believe in yesterday
I believe in yesterday
