

Visions

P.O.D.

Prove to me, what I see
What I hear, my God
Prove to me, what I see
What I hear, my God Take my pride, capture my flesh
Take my flesh, capture my pride
Take my pride, capture my flesh
Take my flesh, capture my pride With the righteous wisdom
Spiritual insight
Check the knowledge And it shall come to pass
Afterword
That I will pour out my spirit on all flesh
And your sons and your daughters shall prophesied
Your old men shall dream dreams
And your young men shall see visions Jesus Christ is what I see

Jesus Christ is what I see

Jesus Christ is what I see

Jesus Christ is what I see

Prove to me, who I see

Who I hear, my God

Prove to me, who I see

Who I hear, my God
