I'm Shakin'

Sunnyboys

Making up ways of getting to you
Everything in sight is turning blue
Death is coming to the phone
I found out you were not home this time
Writing home on pink paper fails
Wasting time trying to scratch the view
I fall back into your arms
My body rests like a charm around your neck
I can see the time has come
To tell you are the only one who lets me breath
I'm shakin'
I'm shakin'
Facing danger now with only one weapon
Can you see that long insipid expression?
I went out for a 5 minute walk
I came back and everyone had gone to sea
I can see the time has come
To tell you you're the only one who lets me breath
I can see the time has come
To tell you you're the only one
I can see the time has come
To tell you you're the only one who lets me breath
