

# Kiss Me

Tom Waits

The fire's dyin' out  
All the embers have been spent  
Outside on the street  
Lover's eyes in the shadows  
You look at me  
I look at you  
There's only one thing  
I want you to do Kiss me  
I want you to kiss me like a stranger once again  
Kiss me like a stranger once again  
I won't believe that our love's a mystery  
I won't believe our love's a sin  
I want you to kiss me like a stranger once again You wear the same kind of perfume  
You wore when we met  
I suppose there's something comforting  
In knowing what to expect  
But when you brushed up against me  
Before I knew your name  
Everything was thrilling  
'Cause nothin' was the same Now I want you to kiss me  
I want you to kiss me like a stranger once again  
Kiss me like a stranger once again  
I won't believe our love's a mystery  
I won't believe our love's a sin  
Oh will you kiss me like a stranger once again  
I want you to kiss me like a stranger  
Kiss me like a stranger once again
