Fallin'

Sylver

The night is cold
The rain pours down
Neon light's seducing meI don't give up
I won't give in
Memory's accusing meI'm fallin'
Where do we go, I don't know
I'm fallin'
Nothing below, let it go
I'm fallin'
Where do we go, I don't know
I'm fallin'
Nothing below, let it goThe dawn of day
A foggy dew
A gleam of light's suffusing meI can't deny
My eager thoughts
Future sound's amusing meI'm fallin'
Where do we go, I don't know
I'm fallin'
Nothing below, let it go
I'm fallin'
Where do we go, I don't know
I'm fallin'
Nothing below, let it goThe night is cold
The rain pours down
Neon light's seducing meI don't give up
I won't give in
Memory's accusing meI'm fallin'
Where do we go, I don't know
I'm fallin'
Nothing below, let it go
I'm fallin'
Where do we go, I don't know
I'm fallin'
Nothing below, let it goWhere do we go, I don't know
Nothing below, let it go
