

# A Simple Love

**Melissa Etheridge**

It's a simple love  
That holds us together  
It's a simple truth  
That sets us free There's a place we're bound  
And they call it forever  
It's a simple love  
Between you and me Ah, yeah, yeah  
Ah, yeah, yeah  
Ah, yeah, yeah  
Ah, yeah, yeah
