

Take Me to Church (Glee Cast Version)

Glee Cast

Roderick:

My lover's got humour
She's the giggle at a funeral
Knows everybody's disapproval
I should've worshipped her sooner

If the heavens ever did speak
She's the last true mouthpiece
Every Sunday's getting more bleak
A fresh poison each week

We were born sick
You heard them say it

My church offers no absolutes
She tells me "Worship in the bedroom"
The only heaven I'll be sent to
Is when I'm alone with you

Roderick with Jane (and New Directions):

I was born sick
But I love it
(Command me to be well)

Roderick:

Aay, amen, amen, amen

Roderick with New Directions:

Take me to church
I'll worship like a dog at the shrine of your lies
I'll tell you my sins and you can sharpen your knife
Offer me that deathless death
Good God, let me give you my life

Roderick with Jane and New Directions:

Take me to church
I'll worship like a dog at the shrine of your lies
I'll tell you my sins and you can sharpen your knife
Offer me that deathless death

Good God, let me give you my life

Skylar:

If I'm a pagan of the good times
My lover's the sunlight
To keep the goddess on my side
She demands a sacrifice

Roderick with Kitty:

Drain the whole sea
Get something shiny

Kitty:

Something meaty for the main course

Skylar:

That's a fine looking high horse

Jane:

What you got in the stable?

Roderick:

We've a lot of starving faithful

Roderick with Kitty:

That looks tasty
That looks plenty
This is hungry work

Roderick with Kitty and New Directions (New Directions):

Take me to church (Take me to church)

Roderick with New Directions:

Take me to church

I'll worship like a dog at the shrine of your lies
I'll tell you my sins and you can sharpen your knife
Offer me that deathless death
Good God, let me give you my life

Roderick with Jane and New Directions:

Take me to church

I'll worship like a dog at the shrine of your lies
I'll tell you my sins and you can sharpen your knife
Offer me that deathless death
Good God, let me give you my life

Skylar with Jane:
No masters or kings
When the ritual begins
There is no sweeter innocence
Than our gentle sin

Roderick with Kitty:
In the madness and soil of
That sad earthly scene
Only then I am human
Only then I am clean

Roderick:
Oh, oh
Amen, amen, amen

Roderick with Jane and New Directions:
Take me to church

Roderick with New Directions (Jane):
I'll worship like a dog at the shrine of your lies (Woah)
I'll tell you my sins and you can sharpen your knife (Yeah)
Offer me that deathless death
Good god, let me give you my life (Let me give you my life)

Roderick with Kitty and New Directions (and Jane):
Take me to church
I'll worship (like a dog at the shrine of your lies)
I'll tell you my sins and you can sharpen your knife
Offer me that deathless death
Good god, let me give you my life

New Directions:
Oh-oh, oh-oh, oh
