

# Home By Christmas Day

## Straight No Chaser

Just got home for the holiday  
I see a frosted snowman in my yard  
I've been waiting all year just to see him stand here  
He flashes a smile, and all of the while the smiling I'm missing belongs to you  
I know that if you could hear my song,  
You'd want to come along(Chorus)  
So come baby sleigh ride with me  
We'll check out the evergreens in the snow  
I'd even get Rudolph to light the way  
And I promise I'll have you home by Christmas dayThe snowflakes are dancing in the sky  
Love's in the air tonight  
This is where I'm supposed to be, on this wintery Christmas Eve  
Lost in your eyes, on this sleigh ride, finally getting a smile from you  
I knew that once you heard my song,  
You'd want to come along(Chorus)  
So come baby sleigh ride with me  
We'll check out the evergreens in the snow  
I'd even get Rudolph to light the way  
And I promise I'll have you home by Christmas dayThe sun's coming up, and it's time to head back  
Santa has given out the toys in his pack  
Well light up the tree and that's where you'll find  
I'll be your gift and I hope that you'll be mineSo come baby sleigh ride with me  
We'll check out the evergreens in the snow  
I'd even get Rudolph to light the way  
And I promise I'll have you homeOh I promise I'll have you home  
And I promise I'll have you home
