

# Left Behind (Live In London 2002)

## Slipknot

I've known faces that have disappeared in time  
Find me wrapped in glass and slowly soaked in lime  
All my friends have pictures made to make you cry  
I've seen this and wondered what I've done to  
Calcify(I ignore you)  
As I close my eyes, I feel it all slipping away  
(I come toward you)  
We all got left behind, we let it all slip away(I ignore you)  
As I close my eyes, I feel it all slipping away  
(I come toward you)  
We all got left behind, we let it all slip away I can't stand to see your thalidomide robot face  
I don't even try it! You had be a liar just to  
Infiltrate me I'm still drowning(I ignore you)  
As I close my eyes, I feel it all slipping away  
(I come toward you)  
We all got left behind, we let it all slip away(I ignore you)  
As I close my eyes, I feel it all slipping away  
(I come toward you)  
We all got left behind, we let it all slip away Take, this, away  
Take, this, away  
I can feel it on my mouth  
I can taste you on my fingers  
I can hear you like the holy ghost  
And kill you if you get too close(I ignore you)  
As I close my eyes, I feel it all slipping away  
(I come toward you)  
We all got left behind, we let it all slip away(I ignore you)  
As I close my eyes, I feel it all slipping away  
(I come toward you)  
We all got left behind, we let it all slip away  
We let it all slip away  
We let it all slip away  
We let it all slip away  
We let it all slip away
