Winter Wonderland

Ali Lohan

Sleigh bells ring are you listing in the lane snow is glistening
Beautiful sight we're happy tonight walking in a winter wonderland
Gone away is the bluebird here to stay is a new bird
He sings a love song as we go along walking in a winter wonderland
In the meadow we could build a snowman
Then pretend that he is Parson Brown
He'll say are you married? we'll say no man
But you could do the job when your in town

Later on we'll conspire as we dream by the fire
To face unafraid the plans that we've made walking in a winter wonderland
When it snows ain't it thrilling though your nose gets a chilling
We'll frolic and play the Eskimo's way
Walking in a winter wonder
Walking in a winter wonderland
Walkin' (its a magic time)
Walkin' (its a magic time)
Walkin' (in a winter wonderland) - [repeat]
