

Tall Ships

Wolfmother

see the stars above have left you waiting for a sign
I see the books you read have left you feeling so unkind
Oh won't you show me your love
Oh won't you show me your love
I saw the ships come in that left you feeling big and tall
I wandered a thousand miles they left me on that ancient wall
Oh tell me where she goes
Oh tell me what she knows
Oh won't you show me your love
I saw the books you read, I saw the way you locked up your mind
With all the walls they built they left you feeling so unkind
Oh won't you show me your love
