

# Got to Get You Into My Life (Stereo)

## Cliff Bennett & The Rebel Rousers

I was alone, I took a ride  
I didn't know what I would find there  
Another road where maybe I could see  
Another kind of mind there

Ooh, then I suddenly see you  
Ooh, did I tell you I need you  
Every single day of my life?

You didn't run, you didn't lie  
You knew I wanted just to hold you  
If you had gone, you knew in time we'd meet again  
For I had told you

Ooh, you were meant to be near me  
Ooh and I want you hear me  
Say we'll be together every day

I got to get you into my life

What can I do, what can I be?  
When I'm with you I want to stay there  
If I am true, I'll never leave  
And if I do I know the way there

Ooh, you were meant to be near me  
Ooh and I want you to hear me  
Say weâ€™ll be together every day

I got to get you into my life

I got to get you into my life

I was alone, I took a ride  
I didn't know what I would find there  
Another road where maybe I could see  
Another kind of mind there

Ooh, then suddenly I see you  
Did I tell you I need you

Every single day of my life  
I need you, baby  
Every, every, every single day of my life
