

Flashing Red Light Means Go

The Boxer Rebellion

What's the use in my advice that you just turn down?
Swaying to a serenade, you never hear a sound
But I know you know now
Generate the false alarms
The verdict: counterfeit
Flashing lights to bring you back from who you're running with
But I know you know now
Tell me why you're leaving us
Moving to a caged mistake

Expression isolates
Owing up for deals you struck
For deals you can't replace
But I know you know now
And you can't say no
You can't say
And you can't say no
You can't
You can't say
Tell me why you're leaving us
(Why'd you want to leave so bad?)
