Flashing Red Light Means Go

The Boxer Rebellion

What's the use in my advice that you just turn down?

Swaying to a serenade, you never hear a sound

But I know you know now

Generate the false alarms

The verdict: counterfeit

Flashing lights to bring you back from who you're running with

But I know you know now

Tell me why you're leaving us

Moving to a caged mistake

Expression isolates
Owing up for deals you struck
For deals you can't replace
But I know you know now
And you can't say no
You can't say
And you can't say no
You can't
You can't
You can't say
Tell me why you're leaving us
(Why'd you want to leave so bad?)
