

All the Love

Jolie Holland

I'm saving all the love that I ever had for you
I'm saving all my love
I'm not gonna lose
I'm not gonna lose my love
I'm not gonna lose Rattlesnake inside the box
And an old top hat on the stand
Rose silk and Chilean wine
If you ever come back here again
I've got it for you I'm not gonna lose
I won't lose my love
I won't lose my love
I won't lose my love Blackbird come to say hello
And I busted out into tears
Take it fast or take it slow
You could give it a minute or a year I got it for you
I'm not gonna lose
I won't lose my love
I won't lose my love
I won't lose my love I'm saving all the love that I ever had for you
I'm saving all my love
I'm not gonna lose
I'm not gonna lose my love
I'm not gonna lose
