

# Water Me

[FKA Twigs](#)

He won't make love to me now  
Not now, I've set the fee  
He said it's too much in pounds  
I guess I'm stuck with meHe told me I was so small  
I told him "Water me  
I promise I can grow tall  
When making love is free"He won't make love to me now  
Not now, I've set the fee  
He said it's too much in pounds  
I guess I'm stuck with meHe told me I was so small  
I told him "Water me"
