

# 4 In The Morning

## Yellow Claw

Wakin' up to find another day  
The moon got lost again last night  
But now the sun has finally had its say  
I guess I feel alright  
But it hurts when I think  
When I let it sink in, it's all over me  
I'm lyin' here in the dark  
I'm watchin' you sleep, it hurts a lot  
And all I know is  
You've got to give me everything  
Nothing less 'cause  
You know I give you all of me  
I give you everything that I am  
I'm handin' over everything that I've got  
'Cause I wanna have a really true love  
Don't ever wanna have to go and give you up  
Stay up till four in the mornin' and the tears are pourin'  
And I want to make it worth the fight  
What have we been doin' for all this time?  
Baby, if we're gonna do it, come on do it right  
All I wanted was to know I'm safe  
Don't want to lose the love I've found  
Remember when you said that you would change  
Don't let me down  
It's not fair how you are  
I can't be complete, can you give me more?  
And all I know is  
You've got to give me everything  
Nothing less 'cause  
You know I give you all of me  
I give you everything that I am  
I'm handin' over everything that I've got  
'Cause I wanna have a really true love  
Don't ever wanna have to go and give you up  
Stay up till four in the mornin' and the tears are pourin'  
And I want to make it worth the fight  
What have we been doin' for all this time?  
Baby if we're gonna do it, come on do it right  
Oh please, you know what I need

Save all your love up for me  
We can't escape the love  
Give me everything that you have  
And all I know is  
You've got to give me everything  
Nothing less 'cause  
You know I give you all of me  
I give you everything that I am  
I'm handin' over everything that I've got  
'Cause I wanna have a really true love  
Don't ever wanna have to go and give you up  
Stay up till four in the mornin' and the tears are pourin'  
And I want to make it worth the fight  
What have we been doin' for all this time?  
Baby if we're gonna do it, come on do it right  
Give you all of me  
Give you everything  
Give you all of me
