

If I Had A Tail

Queens Of The Stone Age

Gitchy, Gitchy
Oh la, la
Do run, run
You won't get farI'm machine
Obsolete
In the land of the free
LobotomyI wanna suck
I wanna lick
I wanna cry
I wanna spitTears of pleasure
Tears of pain
Trickle down
Your face the sameIt's how you look
Not how you feel
A city of glass
with no heartIf I had a tail
I'd own
The nightIf I had a tail
I'd swat
The flies(Yeah)
(Oh, oh)
(Ah, oh)
(Ahhh, oh)(Yeah)
(Oh, oh)
Ah, oh)
(Ahhh, oh)Gitchy, Gitchy
Oh la, la
Do run, run
You won't get farAnimals
In the midnight zone
When you own the the world
You're always homeGet your hands dirty
Roll up them sleeves
Brainwashed
Or true believers?Buy flash cars
Diamond rings
Expensive holes
to bury thingsI'm machine
I'm obsolete

In the land of the free
ImmortalityIf I had a tail
I'd own
The flightIf I had a tail
I'd swat
The flies
