

# Not Enough (Greed)

## Adore Me Not

Hey it's me again and maybe you finally know  
that I'm not ok  
And I hope you'll find a resting place for your betray  
I've realized your foolish game  
you never had enough to blame  
you've realized that I despise what leads between your lines.â€œâ€I freed my mind from what is left of you  
relieved, it's over  
cripling your fears was not enough  
It's not enoughYes it's me complaining  
hold your breath and just keep listening  
You're hopeless, restless  
you're not the first and you won't be the lastI've realized your foolish game  
you never had enough to blame  
you've realized that I despise what leads between your lines.I freed my mind from what is left of you  
relieved, it's over  
cripling your needs was not enough  
It's not enoughNot a single word can keep me here now  
Shut your mouth and shut your eyes  
so you don't have to see me fall  
I freed all my senses just to take a bow  
I took my pils right now  
so please don't  
make me spit them out!I freed my mind from what is left of you  
relieved, it's over  
cripling your mind was not enough  
It's never enough!
