

# Dear God (Sincerely M.O.F.)

## Monsters of Folk

Dear god, I'm trying hard to reach you  
Dear god, I see your face in all I do  
Sometimes it's so hard to believe in  
Good god I know you have your reasons

Dear god I see you move the mountains  
Dear god I see you moving trees  
Sometimes it's nothing to believe in  
Sometimes it's everything I see

Well I've been thinking about,  
And I've been breaking it down without an answer  
I know I'm thinking aloud but if your loves  
Still around why do we suffer?  
Why do we suffer?

Dear god, I wish that I could touch you  
How strange sometimes I feel I almost do  
And then I'm back behind the glass again  
Oh god what keeps you out it keeps me in

Well I've been thinking about,  
And I've been breaking down without an answer  
I know I'm thinking aloud but if your loves  
Still around why do we suffer?  
Why do we suffer?

---
