Love Like This

Ben Rector

Never was an early riser
Used to be an up-all-nighter
Never saw the morning light quite like I do now
Never said no to a party
Never started saving money
Everything is different since you've been aroundIt's the way you're smiling at me
It's in the way you hold my hand
It's the way I've watched you change me
From a boy into a man
It's a million things about you
And I don't know what it is
I have never known a love like this
Never used to get excited
To sit here in the silence
Holding on to something
The way I'm holding you
Didn't used to know how fast time
Walks and runs and flies by
I never thought I'd feel so deeply, but damn I doIt's the way you're smiling at me
It's in the way you hold my hand
It's the way I've watched you change me
From a boy into a man
It's a million things about you
And I don't know what it is
But I have never known a love like thisIt's funny how everything I dreamed about
Starts to seem so empty without you
It's the way you're smiling at me
It's in the way you hold my hand
It's the way I've watched you change me
From a boy into a man
It's a million things about you
And I don't know what it is
But I have never known a love like this
I have never known a love like this
