

# Love, Need And Want You

## Patti LaBelle

I love you, I love you honey  
I love you, I do, more than you ever know  
It's for sure you can always count on my love  
Forevermore

I need you, I need you, baby  
I need you right now  
Say, can you understand you're my man  
And my one desire is keeping you satisfied

Baby, when we, when we're together say  
I'm alright and you're alright, it's like paradise  
I just want you to know how I feel  
How I feel

Oh, I want you, I want you sugar  
I want you so bad  
I got a burning desire, my soul's on fire  
Can't you see you are my everything

Baby, when we when we're together say  
I'm alright and you're alright, it's like paradise  
I just want you to know how I feel  
How I feel

Oh, I love you, I love you honey  
I love you, I do, more than you ever know  
It's for sure, you can always count on my love  
Forevermore

I love and need and want you, baby  
I love and need and want you, baby  
I love and need and want you, baby  
Love and need and want you, baby

I love and need and want you, baby  
Love and need and want you, baby

You can count on me forevermore  
I love and I need and I want you

I got this burning desire, my soul's on fire  
You can't count on me forevermore

I love, baby, I need  
Baby, I want your love  
Oh, I love you, I need you  
You can always count on my love forevermore

I love, baby, I need  
Baby, I want your love  
Oh, I love you, I need you  
You can always count on my love forevermore

I love, baby, I need  
Baby, I want your love  
Oh, I love you, I need you  
You can always count on my love forevermore
