

Lean Got Me Fucked Up

Lil Ugly Mane

[] X 6

Purple lean

Got me fucked up

Got me fucked up

Got me fucked up

I'm a project ghost, I'm a hood apparition

Murder on my mind; money is my mission

Dro I been smokin', Grams I been sniffin'

All black attire with the lean that I'm sippin'

I'm a boss, I'mma put you in the cemetery

Picture of my middle finger next to your obituary

Illegal operations, my guns is military

Need no ground business, my constituents is visionary

Never disrespect me unless you wanna die

I could roll to yo hood in a short drive

Blow yo motherfuckin' dome with a .45

Snatch yo bitch at the club, leave you mortified

Playa that's what's up

Playa pass that cup

This purple lean has got yo' boy feelin' so fucked up>[] X 4

I be leanin'

Codeine demon

Ugly mane posted up, black diamonds gleamin'

Pocket full of clips, that's bananas

Shoot the bandana off of any ho that want that Anna

This ain't a posse cut, Playa it's just me

And you don't want that Ugly Mane, playa trust me

Man I'm fucked up, on that purple lean

'Bout to show this fuckin' trick what murder means
