

# USA (October 1982)

## Reagan Youth

In U.S., A's for apathy  
Not bullshit democracy  
Red white and blue is all you see  
But does it mean you're really free?In U.S., A's for anarchy  
Not bullshit democracy  
I want total liberty  
I want peace and anarchyThey tell us how to act and be  
Well what they meant was slavery  
With standards and authority  
How can you think you're really free?In U.S., A's for anarchy  
Not bullshit democracy  
I want total liberty  
I want peace and anarchyDo what you want be what you be  
Don't fall for their hypocrisy  
Open you mind! Wake up and see!  
True freedom is anarchy!In U.S., A's for anarchy  
Not bullshit democracy  
I want total liberty  
I want peace and anarchy!
