

Run Away With Me

Carly Rae Jepsen

You're stuck in my head, stuck on my heart, stuck on my body, body

I wanna go, get out of here, I'm sick of the party, party

I'd run away

I'd run away with you

Ooh This is the part, you've got to say all that you're feeling, feeling

Packing a bag, we're leaving tonight when everyone's sleeping, sleeping

Let's run away

I'll run away with you

Ooh 'Cause you make me feel like

I could be driving you all night

And I'll find your lips in the street lights

I wanna be there with you

Ooh Baby, take me to the feeling

I'll be your sinner, in secret

When the lights go out

Run away with me

Run away with me

Baby, every single minute

I'll be your hero and win it

When the lights go out

Run away with me

Run away with me Up in the clouds, high as a kite, over the city, city

We never sleep, we never try, when you are with me, with me

I wanna stay

I wanna stay here with you

Ooh 'Cause you make me feel like

I could be driving you all night

And I'll find your lips in the street lights

I wanna be there with you

Ooh Oh baby, take me to the feeling

I'll be your sinner, in secret

When the lights go out

Run away with me

Run away with me

Oh baby, every single minute

I'll be your hero and win it

When the lights go out

Run away with me

Run away with me Hold on to me

I never want to let you go
(Run away with me, run away with me)
Over the weekend
We could turn the world to gold, oh oh
(Run away with me, run away with me)(We could turn the world to gold)
Over the weekend we could turn the world to gold
Oh oh, oh oh Oh my baby, take me to the feeling
(Take me to, take me to it)
I'll be your sinner, in secret
When the lights go out
Run away with me (just run away with me)
Run away with me (away with me, yeah, yeah)
Every single minute
I'll be your hero and win it
When the lights go out
Run away with me
Run away with me Run away with me
Run away with me Run away with me
Run away with me
