Soulrot

Pestilence

Beware of the rotting of the soul,
no one can escape this horrible destiny,
karma will have the life energy turn cold,
the all black creeps upon the human identity.To slowly consume the saved acceptability,
servants of hate devour with precision,
the bodiless being's credibility,
without the need of an incision.This process is executed on a higher plane,
when the truth is being exposed,
the burning makes you go insane,
and the eaten parts of the soul disposed.
Soulrotâ€”haunting the feeble soul, soulrot.
Soulrotâ€”watch destiny unfold, soulrot.Purified once more from the negative,
the eternal cycle of existence,
extracted, the lurking sedative,
manifesting on your resistance.
To slowly consume the saved acceptability,
servants of hate devour with precision,
the bodiless being's credibility,
without the need of an incision.
