## Missy Elliott

Read between the lines  
Ecstasy, a place of fulfillment and fantasies  
Where your dreams become realities?  
Mmm, ecstasy  
It enhances your most inner desire  
To become more free with your guts and feelin's  
E-e-ecstasyBoy, let me free your mind, let's hook up tonight  
Take you on a flight, high, high  
Make you warm inside, I won't waste your time  
My love is so divine, it feels like I'm onEcstasy, I'm willin' to do the things I said I wouldn't do  
On ecstasy, the feelin' makes me feel like I'm in love with youBoy, look into my eyes, I'm so energized  
Make it last long time, touch me  
Everythin' feels sweet, my body feel your breeze  
Up all against me, it feels like I'm onEcstasy, I'm willin' to do all the things I said I wouldn't do  
On ecstasy, the feelin' makes me feel like I'm in love with youOh, it feels like I'm on ecstasy  
Everybody jump in and do somethin'  
Feel so free, I feel like makin' love to you  
So what you wanna do?  
Ecstasy, everybody jump in and do somethin'  
Feel so free, I feel like makin' love to you  
So what you wanna do?Ecstasy, I'm willin' to do the things I said I wouldn't do  
On ecstasy, the feelin' makes me feel like I'm in love with you
