

It's Not Too Late

Demi Lovato

Ohh
Here I am
Feels like the walls are closing in
Once again it's time to face it and be strong
I wanna do the right thing now
I know it's up to me some how
I've lost my way
If I could take it all back I would now
I never meant to let you all down
And now I've got to try to turn it all around
And figure out how to fix this
I know there's a way so I promise
I'm gonna clean up this mess I made
Maybe It's not too late
Maybe it's not too late oh
So I'll take a stand
Even though it's complicated
If I can I wanna change the way I've made it
I gotta do the right thing now
I know it's up to me some how
I'll find my way
If I could take it all back I would now
I never meant to let you all down

And now I've got to try to turn it all around
And figure out how to fix this
I know there's a way so I promise
I'm gonna clean up the mess I made
Maybe It's not too late
I'm gonna find the strength
To be the one who that holds it all together
Show you that I'm sorry
But I know that we can make it better
If I could take it all back I would now
I never meant to let you all down
And now I've got to try to turn it all around
And figure out how to fix this
I know there's a way so I promise
I'm gonna clean up the mess I made

Maybe It's not too late
I never meant to let you all down
Now I've got to try to turn it all around
And figure out how to fix this
I know there's a way so I promise
I'm gonna clean up this mess I made
Maybe It's not too late
Maybe it's not too late oh yeah
