

We Gon' Last

Advisory - the following lyrics contain explicit language:

I confess to you but I know to be true I need you so
Listen up I'm about to say exactly why I feel this way
Let me just collect my thoughts, I never spoken so true before
But now I'm writing a brand new page You're the only request that I got in my life, girl, yeah
And you never get old and I never get tired, girl, no, no, no, no, no
And I know that your friends hate
(Yeah)
But I don't care what your friends say
(No)
'Cause we are something special and before the speak on us You tell your friends
Call 'em up, make 'em understand
And if they ask
Let 'em know, tell 'em I'm your man And what we got is solid, to hard to break
And we've got it, it's to hard to take
Gonna tell everyone that you know
We gon' last I can be with you and no one else, glad to have you to myself
When your away it's hard to breathe and when your hear it's hard to see
Can't you tell that we're fortunate that we found a way to click
No one holds my interest like you, yeah You tell your friends
Call 'em up, make 'em understand
And if they ask
Let 'em know, tell 'em I'm your man And what we got is solid, to hard to break
And we've got it, it's to hard to take
Gonna tell everyone that you know
We gon' last I don't need to be reassured 'cause I know it's in my heart
That you believe I'm yours
But I don't want nobody judging my love
My sincerity or what's inside of me that's for you girl, oh Oh baby, I need your loving
So tell them that you'll stay right here
And that you'll never go And I know that your friends hate
(Yeah)
But I don't care what your friends say

(No)

I don't care 'cause we are something special
So before the speak on us You tell your friends
Call 'em up, make 'em understand

And if they ask

Let 'em know, tell 'em I'm your man And what we got is solid, to hard to break

And we've got it, it's to hard to take

Gonna tell everyone that you know

We gon' last You tell your friends

Call 'em up, make 'em understand

And if they ask

Let 'em know, tell 'em I'm your man And what we got is solid, to hard to break

And we've got it, it's to hard to take

Gonna tell everyone that you know

We gon' last
