

Here`s Hoping.

InMe

Shot down You knew that I was lonely by the shiver in my voice
It seems like everybody's hoping, but never make the right choice And we hold on And we're not afraid, we run
to the sun
I just wanted to know who you are
It never ends my best friend
I just wanted to see you, it feels like you've given up..... On me, I can see it in your eyes
Seems like everybody's coping, but we never make a stand And we hold on And we're not afraid, we run to the
sun
I just wanted to know who you are
It never ends my best friend
I just wanted to see you, it feels like you've given up
It feels like you've given up With my foot in my mouth I don't remember what I've said
Best day of my life I don't remember
Something tells me your not so innocent, we hold on And we're not afraid, we run to the sun
I just wanted to know who you are
It never ends my best friend
I just wanted to see you, it feels like you've given up With my foot in my mouth I don't remember what I've said
Best day of my life I don't remember
With my foot in my mouth I don't remember what I've said
Best day of my life I don't remember, I don't remember
