Okay

The Piano Guys

Doubt is a broken record that play inside my head.
I try to turn it down, but I can't quite drown it out.
I'm tortured everyday, these never ending worries, Pulling on my sleeves.So many times now I was supposed to tap out.
All the walls would fall around me.
All anybody would tell me, Is all that bad news how it's gonna fall through.
But no matter what they say or what they say,
It's gonna be, gonna be, OKAY! (a a a ay 3x).
It's gonna be, gonna be, OKAY! (a a a ay 3x).No matter what you've been through here you are.
No matter if you think you're falling apart.
It's gonna be OKAY!And there is a battle raging in yout heart but you must win.
It comes for all of us, saying we are not enough.
So fight for your life. The worlds gonna try.
To sell you some lies.So many times now I was supposed to tap out.
All the walls would fall around me.
All anybody would tell me, Is all that bad news how it's gonna fall through.
But no matter what they say or what they say,
It's gonna be, gonna be, OKAY!
It's gonna be, gonna be, OKAY!No matter what you've been through here you are.
No matter if you think you're falling apart.
It's gonna be OKAY!It's gonna be, gonna be, OKAY!
It's gonna be, gonna be, OKAY!No matter what you've been through here you are.
No matter if you think you're falling apart.
It's gonna be OKAY!It's gonna be, gonna be, OKAY!
It's gonna be, OKAY!WOAH, WOAH WOAH! (It's gonna be, gonna be)
WOAH, WOAH WOAH! (It's gonna be, OKAY!)
WOAH, WOAH WOAH! (It's gonna be, gonna be)
WOAH, WOAH WOAH! (It's gonna be, OKAY!)
