

# Don't You Want Me Anymore

## Pulp

On the night that I was leaving the moon rose in the sky  
As I came to fetch my suitcase and then you began to cry  
I've never seen you look so ugly as the way you did that night  
That night was eighteen months agoNow I'm two hours from the station  
    Yeah, I'm coming home again  
    I'm gonna show this town who's master  
Soon as I get off this trainAnd you're gonna love me more than ever  
    And the sun will shine again  
    And I will kiss your face  
And I will make you smile againAnd then the whole damn town  
    Will come on out to welcome me  
    Oh, they will open all the doors and give it all to me  
Oh no, but still your voice is ringing in my earsDon't you want me anymore?  
Don't you want me anymore?And I can't, I can't believe it's happening  
    I know that oh there must be some mistake  
    You've found yourself another lover  
And you're glad we made the breakOh, you don't even, you don't even want to see me  
    You just wanna wave and say  
    "Goodbye, go away now, and leave us alone  
No this house is not your own"YeahAnd now the whole damn town has come around to laugh at me  
    Oh yeah oh, they can stare for evermore  
    You do not care for me  
Oh no oh, they can stare now for a hundred thousand yearsDon't you want me anymore?  
    Don't you want me anymore?Don't you want me anymore?  
    Don't you want me anymore?
