

By Your Side

The 1975

You think I'd leave your side, baby
You know me better than that
You think I'd leave you down when you're down on your knees
I wouldn't do that
I'll tell you when you're right
And if only you could see into me
Oh, when you're cold
I'll be there
Hold you tight to me
When you're on the outside, baby and you can't get in
I will show you, you're so much better than you know
When you're lost and you're alone and you can't get back again
I will find you
Darling and I will bring you home
And if you want to cry
I am here to dry your eyes
And in no time, you'll be fine
You think I'd leave your side, baby
You know me better than that
You think I'd leave you down when you're down on your knees
I wouldn't do that
I'll tell you when you're wrong
And if only you could see into me
