

Lost In The Echo

Lã•Ekã•E ãŽ©rk

(yeah) (yo)

You were that foundation

Never gonna be another one, no.

I followed, so taken

So conditioned I could never let go

Then sorrow, then sickness

Then the shock when you flip it on me

So hollow, so vicious

So afraid I couldn't let myself see

That I could never be held

Back or up no, I'll hold myself

Check the rep, yep you know mine well

Forget the rest let them know my hell

There and back yet my soul ain't sell

Kept respect up, the best they fell,

Let the rest be the tale they tell

That I was there saying?

In these promises broken

Deep below

Each word gets lost in the echo

So one last lie I can see through

This time I finally let you

Go, go, go.

Test my will, test my heart

Let me tell you how the odds gonna stack up

Y'all go hard, I go smart

How's that working out for y'all in the back, huh?

I've seen that frustration

Been crossed and lost and told "No"

And I've come back unshaken

Let down and lived and let go

So you can let it be known

I don't hold back, I hold my own

I can't be mapped, I can't be cloned

I can't C-flat / it ain't my tone

I can't fall back, I came too far

Hold myself up and love my scars

Let the bells ring wherever they are

'Cause I was there saying...
In these promises broken
Deep below
Each word gets lost in the echo
So one last lie I can see through
This time I finally let you go!!!
Go, go, go.
No, you can tell 'em all now
I don't back up, I don't back down
I don't fold up, and I don't bow
I don't roll over, don't know how
I don't care where the enemies are
Can't be stopped, all I know; go hard
Won't forget how I got this far
For every time saying?
In these promises broken
Deep below
Each word gets lost in the echo
So one last lie I can see through
This time I finally let you
Go, go, go. (Go, go, go)
Go. go, go. (Go, go, go)
