

# Every Girl

## Young Money

I like her long haired thick red bone  
Open up her legs then filet mignon that pussy  
I'ma get in and own that pussy, if she let me in I'ma own that pussy  
Gon' throw it back and bust it open like you 'posed to  
Girl I got that dope dick, now come here let me dope you You gon' be a dope fiend, your friends should call you  
dopey  
Tell 'em keep my name out they mouth if they don't know me  
Huh, but you can't come until she, I'll fuck the whole groupie  
Baby, I'm a groupie, my sex game is stupid, my head is the dumbest  
I promise I should be hooked on phonics, yeah But anyway I think you're bionic  
And I don't think you're beautiful, I think you're beyond it  
And I just wanna get behind it and watch you  
(Back it up and dump it back, back it up and dump it back) 'Cause we like her, and we like her too  
(Hey!)  
We like her, and we like her too  
(Hey!)  
We like her, and we like her too  
(Hey!)  
We like her, and she like us too And girl, I wish I could fuck every girl in the world  
I wish I could fuck every girl in the world  
I wish I could fuck every girl in the world Yeah, alright  
(Oh, oh, oh, oh, oh, oh, oh, oh)  
She be jumpin' up and down tryin' a fit that ass in  
Took her half an hour just to get that belt to fasten  
All they want to talk about is partyin' and fashion  
Every single night I have a dream that I am smashin' them all Young Money, man this shit so timeless  
And I'm in the mood to get faded, so please bring your finest  
And what are all your names again? We drunk, remind us  
Are any y'all into girls like I am? Let's be honest She wants me, she wants me  
'Cause I got it all, shawty, tell me what you don't see  
I will fuck with all y'all, all y'all are beautiful  
I just can't pick one so you can never say I'm choosy, hoes And Wayne say pussy, pussy, pussy  
And weed and alcohol seem to satisfy us all, damn  
And every time I think of stayin' with her  
She bring that friend around that make a nigga reconsider, man 'Cause we like her, and we like her too  
(Hey!)  
We like her, and we like her too  
(Hey!)
