

The Electric Co.

U2

Boy, stupid boy don't sit at the table
Until you're able to toy, broken toy
Shout, shout, you're inside out If you don't know electric co
If you don't know electric co Red, running red play for real
The toy could feel a hole in your head
You go in shock, you're spoon fed If you don't know electric co
If you don't know electric co One, two, three, four
I can't [Incomprehensible]
[Incomprehensible] If you don't know electric co
If you don't know electric co
If you don't know electric co
If you don't know electric co
If you don't know electric co [Incomprehensible]
Just to hear me
[Incomprehensible]
I've found me way home
[Incomprehensible]
