

I'm Letting Go (Dented Fender Session)

[Francesca Battistelli](#)

My heart beats, standing on the edge
But my feet have finally left the ledge
Like an acrobat
There's no turning back
I'm letting go
Of the life I planned for me
And my dreams
I'm losing control
Of my destiny
It feels like I'm falling and that's what it's like to believe
So I'm letting go
This is a giant leap of faith
Trusting and trying to embrace
The fear of the unknown
Beyond my comfort zone
I'm letting go
Of the life I planned for me
And my dreams
I'm losing control
Of my destiny
It feels like I'm falling and that's what it's like to believe
So I'm letting go
Giving in to your gravity
Knowing You are holding me
I'm not afraid
Feels like I'm falling and that's what it's like to believe
Feels like I'm falling and this is the life for me
