My Flame

Bobby Caldwell

Ooh, how long?
How long have you been away?
(How long, babe?)
Oh, how long?
Can?t find no words to say
I've kept your picture on my shelf
(Thinkin? ?bout you, babe)
Only there to remind myself
(Thinkin? ?bout you, babe)
I have always cared for you
Do you still love me?
Oh my flame
(My flame)
Some things will never change
Still hold your vision in my mind
Say you still love me
(Say that you love me, say that you love me)
Oh my flame
(My flame)
Some things will never change
Still hold your vision in my mind
Say you still love me
(Say that you love me)
Say you still love me
(My flame)
Ooh, my love
Will I ever make you see?
(Incomprehensible)
Oh that somehow, you are still a part of me
Maybe we can compromise
(Maybe, maybe)
?Cause our love just can?t be disguised
I have always cared for you
(I care)
Do you still love me?
Oh, my flame
(My flame)
Some things will never change
Still hold your vision in my mind

Say you still love me
(Say that you love me, say that you love me)
Oh my flame
(My flame)
Some things will never change
Still hold your vision in my mind
Say you still love me
(Say that you love me)
Say you still love me
(My flame, oh)
I've kept your picture on my shelf
Only there to remind myself
(I'm thinkin? ?bout you, babe)
I have always cared for you
Do you still love me?
Oh my flame
(My flame)
Some things will never change
(Some things will never change)
Still hold your vision in my mind
Say you still love me
(Say that you love me, say that you love me)
Oh my flame
(My flame)
Some things will never change
Still hold your vision in my mind
Say you still love me
(Say that you love me, say that you love me)
Say you still love me
(My flame)
Say you still love me
(Say that you love me)
Say you still love me
(My flame)
Say you still love me
(Say that you love me)
Say you still love me
