You (feat. Snoop Dogg and Q-TIp)

[Lucy Pearl](#)

Wait
Its you
And at the end of it all its you
And at the end
Its you
At the end of it all its you
Its you
Its you
At the end of it all its you
Its you
Its you
At the end of it allLookin' for how I see her
When I finally realized couldn't believe it
I couldn't, even swallow
Had a lump in my throat my stomach hollow
I had a notion that things were fishy
But everything was fine so I'd be pissy
But when you wasn't seeing me nights you get in
That's when the snoopin' and shit it would begin
Where you at?
Where you going?
That's what I get when I pick up the phone
Not a hello or I miss you
Or the renaissance how does it do?
Suspicious ones go few
Can stress out your brain
In weighs on your mane
And helps you peep game I thought it was me
But then I could it seeIt was you
Its you
At the end of it all it was you
And at the end
It was you
At the end of it all it was you
And at the end
Its you
Its you
At the end of it all its you
Its you

Its you

At the end of it allI couldn't take it

But the spell of love

I couldn't shake it

Even though I would discover

That there was somebody else

It was your lover

You gave me up

And managed to turn the tables

And all your honest words they turn to fables

The things that you would accuse me of

It seem were the things you were doin' love

Get it? these things you projected

And I don't want to be affected

But when you get in love

Its never easy love

To make decisions of

You've defected

You were doin' so much to try to pin me

Goin' through all my stuff but it was empty

Answers, that I'm seekin'

Well it seem I'm gettin' close

That I'm reachin'

And I was thinkin' I had no reason

Callin' you a culprit it was treason

And the twinkle in your eye

It was kinda not for love

And tell me why?

We'll make a mends if you admit it

We can ascend if your committed

Your heart, is it in it?

If it goes for many days

Sweet love can decay from you
