Talk Less

Ye Ali

[Intro: Ashanti Sample]
Awww baby, awww baby
Ooo baby, ooo baby[Verse 1]
Girl you got that oochie-wally
And I cannot live without you
I bet you taste like a thousand dollars
I bet you get that from your mama
Girl I'm not the one to play with
I just wanna hear you say (shhh!)
Your lips are quiet, your body is having conversations
[Hook]
Your body saying yes to me
Wanna see you do more and talk less
Your body saying yes to me
Wanna see you do more and talk less
Your body saying yes to me
Wanna see you talk less for me
Your body saying yes to me
Wanna see you talk less for me[Verse 2]
Do you wanna know something?
You must of hit my old phone
Got that 3-1-0 number
Old flames want new stories
New city, new invention
Got a stun on you, coulda' stunted with you
The distance got you trippin'
The dick and good love couldn't fix it
[Hook]
Your body saying yes to me
Wanna see you do more and talk less
Your body saying yes to me
Wanna see you do more and talk less
Your body saying yes to me
Wanna see you talk less for me
Your body saying yes to me
Wanna see you talk less for me
