Underworld

You bring light in
You bring light in
You bring light in
You bring light in
You bring light in
You bring light in
You bring light in
You bring light in
You bring light in
You bring light in
You bring light in
You bring light in
You bring light in
You bring light in
You bring light in
You bring light in
You bring light in
To a dark place
Walking in light
Glowing, walking in light
Gold ring around you, the
Hues of you, the
Golden sunlight of you You bring light in
You bring light in
You bring light in
You bring light in
Cool wind following
Following after you
Rising for you
Your skin beautiful
Everything comes natural
Fantastic fan
Rocking rocking, floating
