

# Apocalypse In Time

## Sinister

Sanctions, everlasting lord  
Cold fingers around my throat  
Hell, luxurious place of emptinessFace down, head to the ground  
Ten years of suffering  
Enter, speak and die acts of ecstasyApocalypse in timeGrotesque pile of ancient entities  
The horns of the shrew  
Are raped and slashedSanctions, everlasting lord  
Cold fingers around my throat  
Hell, luxurious place of emptinessFace down, head to the ground  
Ten years of suffering  
Enter, speak and die acts of ecstasyApocalypse in timeGrotesque pile of ancient entities  
The horns of the shrew  
Are raped and slashedApocalypse
