In The Club (Felyx Lighter Remix)

US5

Let's goNow we're back again for a funky ride
Ain't no stoppin' us 'cause we've done it right
US5's like dynamite
Don't you know we've got it right? TheKeep it pumpin' hot for the appetite
Move your bodies up for some real delight
I like the way you work
Your body close to meI wanna rock, so girl get up
All that you want
I can give you
I wanna work your body up and downEverybody in the club let's party
All my fellas grab a sexy shorty
All my girls lookin' naughty, naughty
And we all go, oh, oh, ohEverybody in the club, let's party
All my fellas grab a sexy shorty
All my girls lookin' naughty, naughty
And we all go, oh, oh, ohLet me to the crib with a party song
All the sexy girls just came along
They're just so down with this
Got me bumpin' through the nightGive your body up in the air
See the party people just everywhere
We like the way they work
Their bodies to the beat, oh, yeahI wanna rock, so girl get up
All that you want
I can give you
I wanna work your body up and downEverybody in the club let's party
All my fellas grab a sexy shorty
All my girls lookin' naughty, naughty
And we all go, oh, oh, ohEverybody in the club, let's party
All my fellas grab a sexy shorty
All my girls lookin' naughty, naughty
And we all go oh oh ohAll my people, join the party
Come on down and shake your body
We've got somethin' for the clubs
So girlsHere we go just one more time
Girls go crazy for the disco
Boys are freakin' up so let's go
In this is how we roll the party
Let's go, welcome in the clubHere we go, that's right, alright
Let's dance, yeah

Can you, can you, can you handle this?
Yeah, US5, they work, US5I wanna rock, so girl get up
All that you want
I can give you
I wanna work your body up and downEverybody in the club, let's party
All my fellas grab a sexy shorty
All my girls lookin' naughty, naughty
And we all go, oh, oh, ohEverybody in the club let's party
All my fellas grab a sexy shorty
All my girls lookin' naughty, naughty
And we all go, oh, oh, ohEverybody in the club let's party
All my fellas grab a sexy shorty
All my girls lookin' naughty, naughty
And we all go, oh, oh, ohEverybody in the club let's party
All my fellas grab a sexy shorty
All my girls lookin' naughty, naughty
And we all go, oh, oh, oh
