One Clown Cried

The Four Seasons

Even though she's gone
The show must go on
One clown cried, One clown cried,
Only cried
Only cried
Oh circus clown for the world to see
A painted smile makes them laugh happily
Oh how I wish that they could see
Under all this paint is me
And there's no place I couldn't be.
One clown cried, One clown cried,
Only cried
Only criedMake people laugh that's what I do
Even though my heart is broken,
Broken in twoAll the world will laugh As tears erase
My funny laughing face
Only she knows one clown cried
One clown cried, One clown cried,
Only cried
Only cried
One clown cried, One clown cried,
Only cried
Only cried
