

Until Lately

The Dream Syndicate

In my area there is a chain of being
and the most of the attentions is paid to lower things

 Around here the rule is good faith
 you choose your friends carefully and you're safe.

 Well it's just goes to show
 how wrong you can be
 They say he was in a good position
 a man of pride and ambition.

 In this world there is one equation
 the harder you work, the better is your station

 Well tonight on the news I heard them say:
 the man in the plaza had a resume.
