Clav dub

Rhombus

Yeah
This is Rhombus
Sound non-conformists
We are assymetrical smashing through all sterotypes
Bashing all archetypes
This is the new sound
The fresh sound of the Rhombus crew
The mercenary mike master... Murkwon 108
Gimme the bad boy MC what a jungalist show
About to take the future and about to take control
The Murkwon with the hip hop music and so
The dope fusion of the Rizla taking control
We are the people, the people of a capital sound
We're moving with your body coz we're extra [sould minded?]
Prowess and prophets of a lyrical tone
The people, the people, the people of [a flow?]
Please son
Bad a bing bong bong
Check-checkitty check it what
Diggidy dong dong dong dong
Please son
Please mon
Original[Chorus]
Jammin with the Rhombus sound (Jammin with the Rhombus sound)

Jammin with the Rhombus sound
Chillin the Clav dub down down
Yeah, this is the lull
You see my dreadlocks swining to the tempo, I love this stuff
Hey I'm rocking punk rock pimples on my face
So I look clean with the [pug?]Dripping down as if I had a machine
It crushes up the juice
Rushes to the bottom of my feet filled
With that hip hop niceness
You bottle up my shoes and you slice'em up

And the you sell em' for jerkin'
I'm jerkin when I mean the turkeys
Stylin' MC
A gobble gobble up anything
When I flow on there's sometimes I sound like yo
Hey I'm in my headlights spinning around and I'm that Rhombus
Jammin it with the Rhombus sound[Chorus]
Jammin with the Rhombus sound (Put em' up please)
Chillin the Clav dub down (A da bing bang bong)
