

One Nite Stand (of Wolves And Sheep)

Sarah Connor

One nite stand
Sarah Connor, it's an honor
Wyclef bounce, one nite stand, come on
Love ya baby, drive me crazy
Let me be your sugar daddy
Looked into my eyes, I was convinced
That he's real, real
Girlfriend, never had a boyfriend
Looked to be your best friend
Turned out to be a one nite stand
He loves me, he loves me not
He screams my name in bed
Makes me feel so hot
But once he's out the door
He's already forgot the promises
He made at the break of light
To love me, protect me
Not leave me or hurt me
I was so foolish and so blind to see
That all he wanted to do was to use me
Let's go
Love ya baby, drive me crazy
Let me be your sugar daddy
Looked into my eyes, I was convinced
That he's real, real
Girlfriend, never had a boyfriend
Looked to be your best friend
Turned out to be a one nite stand
But don't feel sad, bad, mad
'Cause I've too been through the rain
And I can feel your pain, feel it
Mama told me there'd be days like these
So I'm telling you ladies
Watch out for the wolves
That dressed like sheep
I love him, I love him not
I still scream his name
In my bed at night, Wyclef
But once he's out the door

He's already forgot the promises
He made at the break of light
He said he's needing me but he's misleading me
Saying he loves me but he's mistreating me
I was so foolish and so blind to see
That all he wanted to do was to use me
Let's go
Let's go, let's go
Love ya baby, drive me crazy
Let me be your sugar daddy
Looked into my eyes
I was convinced that he's real, real
Girlfriend, never had a boyfriend
Looked to be your best friend
Turned out to be a one nite stand
But don't feel sad, bad, mad
'Cause I've too been through the rain

And I can feel your pain, feel it
Mama told me there'd be days like these
So I'm telling you ladies
Take me to the bridge, Sarah Connor
Sitting in my room I'm all alone
You ain't gotta do that girl
My friends think I'm crazy
'Cause I'm waiting for your call
Was it a dream or reality
When you said you'd be
With me for eternity?
Wyclef and Sarah Connor
Holler, lend me your ears
This is the wickedest combination
Since Sonny and Cher
Say here girl
Take these dozens of roses
And let me part the Red Sea
Like I was Moses
Love Is love
Two wrongs don't make it right
So let's make love in the dark
'Til we break daylight
Then hit the Autobahn
You and me in a Ferrari
Fall asleep in Germany
Then wake up in New York City

Love ya baby, drive me crazy
Let me be your sugar daddy
Looked into my eyes
I was convinced that he's real, real
Girlfriend, never had a boyfriend
Looked to be your best friend
Turned out to be a one nite stand
But don't feel sad, bad, mad
'Cause I've too been through the rain
And I can feel your pain
Mama told me there'd be days like these
So I'm telling you ladies
Watch out for the wolves
That dressed like sheep
Like sheep
Watch out for the wolves, wolves
That be dressing like sheep
Like sheep
Watch out for the wolves, wolves
One nite stand
Like sheep
Watch out for the wolves, wolves
One nite stand
Ladies, if you must have it
Make sure he wears a prophylactic
Like sheep
Watch out for the wolves, wolves
One nite stand
